

Dear Lapeer Band Families,

Lapeer Community Schools will be offering in person band instruction on Tuesdays beginning September 15. Tuesday band classes will continue until face to face education has been reinstated. This is not a graded portion of instrumental music, however this is a great opportunity for our musicians to enhance their musical abilities which is often difficult to do in a virtual setting.

The band directors will be following safety guidelines:

- Band will be held outside under a large tent at each secondary school. In the event of bad weather, band will take place in the school’s auditorium, gymnasium or band room depending on the number of students in attendance.
- Temperature checks will be taken by the band director.
- Hand Sanitizer will be available for students
- Social distancing will be enforced
- Music stands, chairs and all other necessary equipment will be sanitized in-between each class.
- Please drop students off near the band room entrance at your student’s school
