

Good morning Lapeer Community Schools Families,

Last evening you received an email from the Oakland Schools Service Desk with detailed information about your students password that will be reset to a temporary password on Sunday night. It appears some of you may have received the email listing the wrong email address in the body of the message as in the example below. **The password listed in the email IS the correct password** that your student's temporary password will be set to on Sunday evening. Please disregard the information related to your student's e-mail account. Your students e-mail account will continue to be the one that they are currently using.

Account Information:

- **Current Email Address =** **Jdoe2023@student.lapeerschools.org** - PLEASE DISREGARD
- Temporary Reset Password = Lightning#####
- Setting your new password = When setting your password, as you will be instructed upon first login after the change on September 6, the password must be at least 8 characters long
