Dear Zemmer Parents, Students, & Families,

*We have compiled a list of online resources for Zemmer students to continue to stay busy during the closure. Nothing will be required to be completed. However, these are great resources for those students who want to continue with activities that are closely related to what they would be doing should school be in session. I encourage any students/parents to contact teachers directly if you have any specific questions.*

*[http://zemmer.lapeerschools.org/staff\\_directory](http://zemmer.lapeerschools.org/staff_directory) They are ready and willing to support in any way possible.*

*For students who have classes at LHS, please see the LHS document with specific information for those classes. ~ Dr. Stanton*
